

September 29, 2023

Dear Armada Area School Families,

The Michigan Department of Labor and Economic Opportunity's Office of Employment & Training (LEO-E&T) and our partners are proud to offer an online career planning tool to help increase the number of Michigan residents with high-quality, in-demand degrees and credentials by providing information to students (grades 8 to 12) to make informed choices about educational and career options. Pathfinder presents current Michigan labor market information, longitudinal wage data and institutional data and metrics.

To ensure that the post-graduation planning resources reach each pupil, we have included the link below. This link can also be found on our district website under *Parent Resources*.
