Dear Armada Area School Families,

Happy New Year! I hope everyone was able to enjoy winter break. There have been reports in the news that COVID-19 quarantine periods are going to be reduced to five days, but that is not the case for K-12 school districts. We will continue to follow the Macomb County Health Department's recommendations and have the same isolation and quarantine protocols that we have utilized for the entire 2021-22 school year. You may want to strongly consider having your child(ren) wear a mask at school the next several weeks, but masks will continue to be optional for students.

If your child is not feeling well, please do not send him/her to school. We have done a great job keeping our schools safe and I'm sure by working together, we will continue to do so.

If you have any questions, ideas, or concerns, my door is open. I can be reached by phone at 586-784-2112 or via email at [mmusary@armadaschools.org](mailto:mmusary@armadaschools.org).

Sincerely,

Michael G. Musary, Ed.S.  
Superintendent of Schools
